**Black Country
Women's Aid**
we listen, we support, we care

Black Country Women's Aid offers refuge accommodation to women, children and men who are fleeing domestic violence, sexual abuse, modern slavery and exploitation.

Families often come into refuge with nothing but the clothes they are wearing.

We support them to **start a brand new life.**

But they often leave refuge with **very little money**, and move into an empty house. This means **no beds, no sofa, no cooker** or fridge. **No curtains** or **carpet** or **cutlery** or **towels**.

Help us raise money to give survivors the best start in their new home.

With your help, they can:

- buy the essentials for their new home
- avoid having to choose between a bed or a washing machine
- have the freedom to choose styles and colours they like
- have a bed and clean linen to sleep in

With your donation, survivors can have the new beginning they deserve.
